

Green Wave of Entrepreneurship: A Climate Resilience Pathway

Tuesday, 28 May 2024 14.00-16.00 CET // 15:00-17:00 EET

Co-funded by
the European Union

We are thrilled to invite you to our culminating online event, **“Green Wave of Entrepreneurship: A Pathway to Climate Resilience”**, which will take place on **Tuesday, 28 May** from 14:00 to 16:00 CET.

Through this event, we aspire, together with distinguished industry experts, to delve into how entrepreneurship can play a vital role in mitigating climate change and fostering a more sustainable future. Whether you are a student, educator, industry professional, environmental specialist, or enthusiast of economic reform, your presence will undoubtedly enrich the conversation.

The event is being organised within the framework of the Erasmus project **SYnC - Strengthening Youth Entrepreneurship and Innovation Capital for the Circular Economy**

As we conclude our transformative journey with SYnC, we aim to showcase today's youth's innovative spirit and entrepreneurial prowess, which are poised to redefine the circular economy. This 2 hour event will feature insightful talks from distinguished external speakers, engaging discussions, and presentations of groundbreaking ideas by emerging young entrepreneurs.

Registration is free but required:
